The Athletics again trimmed the Detroits and thereby made it impossible for the Tigers to pass them. Crazy quilt baseball by the Highlanders handed a game to the Chicago White Sox, who played their last game on the hill-top yesterday. A schoolboy error by Curry, the new second baseman, alone yielded two of the visitors' five runs. When Curry had committed this blunder the managerial machinery became cogged long enough to bring Cree from the outfield to second base, replacing the latter with Caldwell. But as soon as it was evident that some one had blundered Gardner was requested to assume his old place, Cree gladly returning to the left pasture. was requested to assume his old place, Cree gladly returning to the left pasture. It was Gardner's timely base hit, by the way, that enabled the Hillmen to tie the score in the eighth inning.

Russell Ford pitched what might be termed lucky ball. He was hit harder than the score indicates and also seemed to lack his usual control. He wriggled out of several predicaments, a superb throw by Wolter to the plate shutting off a run. Benz pitched with much effectiveness until the eighth, when with two men on bases, two out and the score tied he was succeeded by Rescuer Scott, who made get there game and deserved to win. They outclassed the New Yorkers in various

Ford did not begin auspiciously. He handed a pass to McConnell, who was doubled off first base when Dolan caught Lord's bunted fly. McIntyre and Bodie followed with redhot singles, the former taking third and scoring when a double steal was exeouted. Barrows also received a free ticket, but was forced when Curry made a sensational stop of Tannehili's bid for a hit across the middle sack.

With two men out in the New Yorks' GIANTS WATCH RIVALS PLAY half Wolter took two bases on a fly that Bodie lost in the sun. Gree followed with Much Needed Best for Merkle and Meye

Caldwell went to left field and Cree came to play second base in the seventh. Cree promptly fumbled a grounder from Lord's bat but he handled a rap from MeIntyre cleanly. Lord took third on a passed bail.

"Now, Pinz! Hit it out!" cried Manager Duffy on the coaching lines. "You can do it, old boy!" Whereupon Bodie struck out and looked sheepish. Dolan retired the side with a tine stop and threw off Barrows, Lord being left. Caldwell hit safely in New York's turn and McIntyre robbed Blair of a double by scooping his liner near the four line. Ford's hot grounder hit Caldwell on the leg and the latter was out. Then Daniels was thrown out by Benz.

Cree went back to left field and Gardner assumed the task at second base in the eighth. With one out Collins tripled to centre? Then came the play of the game, when Wolter caught Sullivan's fly and with a line throw squarely into Blair's mitt he doubled Collins at the plate with a yard to spare.

The Hillmen knocked Benz out of the box in their half. Two men were out when Cree began the rally with a base on halls. Knight scratched a hit and Hartzell whitped a single to left, scoring tree. This drive would have been a triple but for a great stop by Barrows. Gardner came to time with a corking base hit to left and Knight tied the score, at the same time sliding feet first into Catcher Sullivan, who was disabled. Scott and Block then became the Chicago battery and Blair struck out.

BROOKLYN, 5; PITTSBURG, 2 PITTSBURG, Sept. 28.—For the third straight time the Brooklyns climbed over the Pirate sloop's decks this afternoon and trounced the Corsairs, making a clean sweep of the series. Cy Barger pitched high class ball and merited the victory though Brooklyn had some trouble with Adams until the sixth inning, when Tooley's

per muffed Hendrix's throw to get Tooley at first. Coulson shot a line drive into Wilson's hands in right. Tooley stole second and scored on Stark's single to right, Stark taking second on the throw in. Erwim walked and Barger beat out a bunt, filling the bases. Hendrix then walked Northen, forcing in Stark with another run. Daubert flied to Carey. Fittsburg scored a run in the third on singles by McCarthy and Simon and a long fly by Carey. They secured another in the sixth when Daley muffed Campbell's fly and Stark fumbled Carey's smash. Campbell scored on Wilson's out.

The Dodgers secured their first run of the game in the third inning on Northen's triple and Daubert's sacrifice fly. Another small crowd witnessed the trouncing of the sady stumped Firstes who virtually have given up all hope of finishing second to the Giants.

YOUNG NITCHIE BEATS STONE.

Philadelphian Too Aggressive for New Yorker at Twentleth Century. Young Nitchie of Philadelphia had the better of a ten round glove contest with Harry Stone of this city at the Twentieth Century A. C. last night. Nitchie carried the fight to the New Yorker practically from start to finish and won because of this aggressiveness, coupled with superior hit-

His covering up and holding enjoying a day's rest, saw the double header tactics saved him from a severe beating, but even with such protection he took in Chicago. The Cubs, after easily disposing but even with such protection he took in Chicago. a walloping that made him taste defeat. Although popular prices prevailed the arena wasn't more than half filled.

Knockouts ended all of the bouts leading up to the scrap between Stone and Nitchie. In the first engagement K. O. Eggers of the West Side put Young Alberts to sleep with a hook on the jaw after 1 minute and 29 seconds of the first round had elapsed. Feddy Murphy, who said he was Bos-

Jim Carney of this city, a big fellow who declared he was a real white hope, met Jack Molloy, a rather peaceful looking person, in the third bout. Before the first round was half over Carney landed a heavy right hand smash on the jaw, and Molloy, falling backward, couldn't prevent his head from hitting the floor with a crash. Molloy was dragged to his corner, where he soon revived.

Adams until the sixth inning, when Tooley's smash toward McCarthy bounded off the fielder's shoe and allowed Northen and Daubert to score when the ball bounded into left field.

Dablen's men won in the ninth by going after recruit Hendrix, their victim of the day previous. Two singles, an error and two walks gave them another pair of runs, and in the final stanza Pittsburg couldn't do a thing with Barger's delivery. After Smith had flied to Carey in the ninth Wagner muffed Hendrix's throw to get Tooley at first. Coulson shot a line drive into Wilson's hands in right. Tooley stole second and scored on Stark's single to right, Stark taking second on the throw in Erwin walked and Barger beat out a lunt filling the bases. Hendrix then walked

Professor Sphinx, a handsome chestnut, by Member Sphinx, won the trotting race in straight heats with apparent ease. He simply led the field, maintaining a safe distance between himself and Bistan from start to finish. The Professor was known to only a handful of the railbirds yesterday, although he trotted in record time at Allentown last week. Peter Goode drove Howard S. Kerner's bay gelding Bistan, and although he finished fourth in the final heat he had second money position. There were two Fred Kohl entries in this race.
